

Speed Queen®

Shepard Street, Ripon, WI 54971 1-800-345-5649

Flatwork Finishers

- Adjustable Ironing Speeds
- No Wax Required
- No Lubrication Required
- 1-year Limited Warranty on Non-wearable Parts
- Select models Offer Electric, Gas or Steam
- Constructed of Heavy Duty Steel Frames and Cylinders

For on-premises laundries at hotels, restaurants and other sites demanding the highest quality finished results, flatwork finishers will deliver. Speed Queen's heated roll finishers produce excellent final linen products. Their efficiency will help keep operating costs down, while models are offered with finishing widths of 55" to 126".

Specifications

Unit Specs

Finishing Width - in	55
Ironing Speed - ft/m	3-15
Roll Motor - HP	.33
Roll Exhaust Motor - HP	1 x .12
Roll Exhaust Duct - in	1 x 3.25
Capacity Resistances - HP	14
Overall Dimensions - L x D x H in	74 x 17.5 x 52.5
Shipping Weight - lb	418
Agency Approvals	ETL, CE

Unit Specs	
Roll Diameter - in	13
Finishing Width - in	63
Ironing Speed - ft/m	3-30
Roll Motor - HP	.33
Roll Exhaust Motor - HP	2 x .16
Roll Exhaust Duct - in	2 x 4
Maximum Gas Input - Btu	76,792
Gas Inlet - in	3/4
Capacity Resistances - HP	21
Overall Dimensions - L x D x H in	86 x 26 x 43.8
Shipping Weight - lb	1320
Agency Approvals	CSA, ETL, CE

Unit Specs	
Roll Diameter - in	20
Finishing Width - in	126
Ironing Speed - ft/m	3-30
Roll Motor - HP	.5
Roll Exhaust Motor - HP	2 x .34
Roll Exhaust Duct - in	2 x 6
Maximum Gas Input - Btu	235,495
Gas Inlet - in	1
Capacity Resistances - HP	72
Steam Inlet - in	3/4
Condensate Return - in	1/2
Hourly Consumption - lb/hr	187
Min-Max Steam Pressure - Psi	145
Overall Dimensions - L x D x H in	168.3 x 42.2 x 46.1
Shipping Weight - lb	3421
Agency Approvals	CSA, ETL, CE
